Players with Table Runs: \_\_\_\_\_

Players with Eight-Ball Breaks: \_\_\_\_\_

It is the job of the **HOME** captain to make sure the league dues are collected each night and put in the envelope with the scoresheet. The envelope should contain \$5 per player or \$40 for the two teams. Money needed to spot the eight ball/rerack after an eight ball break should be deducted from the \$40 total. **If a player is missing, that person must be paid for as well.**
